To Whom It May Concern

It is stated with due respect that the Annals of International Medical and Dental Research (AIMDR), has decided to remove the article processing charges from 2022 onward. Now, author(s) can publish their scientific research in our journal free of cost. We do not charge any APC or article processing charges, subscription fees, or advertisements.

Annals of International Medical and Dental Research (AIMDR), is managed and funded by our editorial board and it is a completely free open-access journal. Now onward, AIMDR can be treated as Diamond-Open-Access-Journal with No-APC, No-Subscription charges, and No-advertisements.

At Annals of International Medical and Dental Research (AIMDR), we do not publish any ads and unlawful content, which are prohibited in our state or country, and AIMDR is committed to maintaining the publication ethics structured by COPE and only scientific researches reviewed by our editorial team can be published in our journal. It is a Peer-reviewed International Journal of Advanced Research on Medical and Dental Sciences, where publication ethics, strict editorial process, and animal and human rights are maintained.

If you have any queries, then please feel free to send an e-mail to our editorial office. Details are given below:
